

Dominic Scattini

Senior Analyst

PFM Financial Advisors LLC

Dominic joined PFM's Financial Advisory team in 2022 and is currently staffed in the San Francisco office. Dominic provides technical and quantitative support for a variety of municipal clients. His present duties include sizing, structuring, and pricing bond issues, credit analysis, facilitating transactions, and performing analysis on municipal refunding opportunities.

Dominic has transactional experience financing new money and refunding bonds through public and private offerings. This includes special tax and revenue bonds, tenders, remarketings, CFD, and affordable housing financings. Dominic also has experience building complex toll road and capital improvement financial models.

Dominic graduated with high honors from the University of California, Santa Barbara earning a B.A. in Economics.
