

Andrea Vlad

Senior Marketing Representative
PFM Asset Management LLC

Andrea joined PFM in September of 2017 and offers seven years of experience in the public finance sector. She has worked with many local governments ranging from school districts, special districts, municipalities, higher education institutions and counties. While at her former firm, she serviced an array of client types in debt structuring and analysis. Andrea's experience serves as a foundation to provide detailed cash flow analysis and strategic investment advice as applicable to the Colorado Statewide Investment Pool (CSIP). With respect to CSIP, she manages the day-to-day relationships, directs marketing activities and supports the program at association conferences.
