

Dustin Bobbitt

Chief Operating Officer
PFM Financial Advisors LLC

Dustin Bobbitt is a senior operations and transformation executive with nearly 20 years of experience leading organizational growth, operational excellence, innovation, and business transformation across professional services and technology-enabled organizations. His tenure has included roles at Forvis Mazars, Netsmart Technologies, Change Healthcare, and McKesson Corporation.

Dustin earned both a Bachelor of Science in History and a Master of Arts in Communication with an emphasis in Organizational Leadership and Change from Drury University. He is a certified Six Sigma Green Belt, graduate of the altMBA leadership workshop, and alumnus of the Leadership Springfield Signature Class. He currently serves on the Board of Directors for Leadership Springfield.
