

Christi Fletcher

Senior Portfolio Manager
PFM Asset Management LLC

Christi Fletcher is a director and senior portfolio manager at PFM. Her career extends over 22 years serving in capacities such as fixed income trader, credit analyst and portfolio manager. She joined PFM in April 2020 and is a member of the portfolio management team that oversees short duration fixed income assets throughout the country. Her team is responsible for the firm's SEC-registered 2a-7 money market mutual fund, local government investment pool (LGIP) portfolios and short duration separately managed accounts. Christi is one of the primary portfolio managers for the separately managed accounts.

Christi's responsibilities include developing and implementing portfolio strategies, allocating assets and performing relative value analysis to capture value in the two year and under sectors of all credit securities. Christi is the firm's sector specialist for credit in providing an analytical story surrounding corporations.

Christi is a member of the firm's Fixed Income Credit Committee, which is responsible for PFM's independent credit research for both local government investment pools (LGIPs) and separately managed accounts. She also a member of the Fixed Income Credit Research team. She is an active member of the PFM Women's Network.
