

Amy Champagne

Senior District Accountant, Lien Book and Assessment
Administration
PFM Group Consulting LLC

Amy Champagne is a Certified Public Accountant with over a decade of experience in governmental accounting, specializing in special districts with a focus on tax roll administration and lien book management. She earned her CPA certification in April 2012.

In her role as Senior District Accountant, Amy brings a deep understanding of assessment administration, ensuring accuracy and compliance across all aspects of lien and tax roll processes. Her analytical skills and attention to detail are integral to the successful management of special district finances.

Amy holds a bachelor's degree in Mathematics from the University of Florida, a bachelor's degree in Accounting from Florida Atlantic University, and a Master's in Accounting from Florida Atlantic University.
