

Christopher Rekawek, CFA

Senior Analyst

PFM Asset Management LLC

Christopher Rekawek joined PFM in December of 2014 and works in the Harrisburg office. Within the Structured Products Group, Christopher provides analytical and project management support for the structuring and procurement of refunding and cash defeasance escrows. He is also heavily involved in the structuring and procurement of various bond proceeds portfolios including sinking funds, project funds, debt service funds and debt service reserve funds.

Prior to joining PFM, Christopher worked for Ahold AUSA as an Audit Specialist where he was responsible for managing the nationwide audit of promotional retail contracts.
