

## John Crumrine

Director

PFM Financial Advisors LLC

John is a senior managing consultant in the Austin office and has been employed with PFM since 2008. Previously, he worked in the Fixed Income Capital Markets Group of an investment bank.

John is responsible for client and project management in addition to providing analytical and technical support to each engagement. This includes bond sizing, creating spreadsheet models, refunding analyses, and preparing documentation for debt offerings. He also is responsible for conducting competitive bond sales, negotiated bond sales and structures both tax-exempt and taxable new money and refunding bond issues.

His financial advisory experience has included working with numerous Texas entities including state agencies, cities, counties and school districts. He has been involved with the structuring, sizing and pricing of fixed-income securities issues with a par amount in excess of \$6 billion. His financing experience includes fixed- and variable- rate transactions and the development of innovative financial products. He is knowledgeable in the use of credit enhancements and derivative products as well as private placements with major investment establishments.
