

Joseph Federico

Senior Analyst

PFM Asset Management LLC

Joseph joined PFM's asset management business as an analyst in 2012. Joseph is currently responsible for the performance monitoring verification process that culminates in the quarterly reports and a variety of client service duties for an array of clients and plans.

Prior to joining PFM, Joseph spent six months interning at The Fairman Group Family Office as an Investment Advisory Services co-op. Prior to working at The Fairman Group, he worked as a State Tax Reporter at TE Connectivity.
