

## Johanna Vrancken

Analyst

PFM Financial Advisors LLC

Hannah supports the New York office as an analyst. She provides modeling, technical, quantitative, and research support to clients and has been involved in more than 15 transactions with a total par amount exceeding \$7 billion. She has been involved in negotiated and competitive pricings, which have required her to prepare documents before the sale, verify all bids and restructure the transaction with the winning bids. Her clients include New York City, the State of Connecticut and Nassau County.
