

Lesley Murphy

Senior Managing Consultant
PFM Asset Management LLC

Lesley initially joined PFM's asset management business in 2007. She worked in the firm's Harrisburg office from 2007 to 2013, then rejoined the firm in 2015 in the San Francisco office. She draws upon her extensive experience in both fixed-income and multi-asset class investment products to serve a wide variety of governmental clients in California, including joint powers authorities (JPAs), cities, counties, and special districts. Lesley assists clients in developing and implementing investment strategies for operating funds, bond proceeds, and OPEB trusts.

Prior to joining PFM, Lesley was employed as an analyst within the financial advisory group of an investment banking firm in Boston, where she assisted clients in the issuance of municipal debt.
