

Marc Pitcher

Director of Sales and Marketing
PFM Solutions LLC

Marc Pitcher joined PFM with over 20 years of sales and business leadership experience and is in our Philadelphia office where he manages all sales and business development efforts for Synario.

Prior to joining PFM's Synario team, Marc worked as a technology sales leader managing teams and providing SaaS and hardware products and services. He has experience working within a variety of business verticals, including financial services, Internet of Things (IoT), Transportation and Research. Marc has also been an entrepreneur and co-founded several companies, including a Web 1.0 streaming media company and a FinTech company.
