

Sandra A. Costa

Portfolio Manager

PFM Asset Management LLC

Sandra Costa joined PFM after the acquisition of Fiduciary Capital Management (FCM) assets in 2017. Sandra spent 22 years with FCM as a portfolio manager responsible for the client relationships, investment management and reporting of stable value portfolios for defined contribution and Taft-Hartley plans. She is also a member of the Stable Value Investment Committee.

Sandra began her career at FCM and prior to becoming a portfolio manager, she held various roles within the firm and was responsible for all operational aspects of the portfolios, including investment analysis, reporting and all day-to-day activities of stable value portfolios.
