

## Tim Stidham, CIMA

Director

PFM Asset Management LLC

Tim Stidham joined PFM in 2018 as a director with our western region asset management team and is based out of the Los Angeles office. He will be focused on expanding PFM's reach across all products and services, with an emphasis on multi-asset class management with State & Local Governments, Corporations, Endowments and Foundations, Healthcare and Taft Hartley plans.

Tim has over 30 years of sales, marketing and business development experience in the asset management industry. He was named Institutional Investors "Marketer of the Year" in 2009. Prior to joining PFM, Tim held senior positions at several large investment firms including American Century Investments, Mellon Capital Management, Putnam Investments and RCM Capital Management. He has sat on advisory boards and committees for various state and national organizations including State Association of County Retirement Systems of California, Institutional Investors Institute and the Texas Public Employee Retirement System.

Tim holds the Certified Investment Management Analyst (CIMA) designation and Financial Industry Regulatory Authority (FINRA) Series 6, 7, 24 and 63 licenses.
